RE: 48-HR REPORTING

This is the third report that I have faxed (Oct. 17, 20, 22) and have not yet received any return confirmation faxes from your office, like I did for the May reporting period. Allen Weh's fax number has changed, so I was a little concerned that maybe you were using the old number. His current fax number is 505.342.7388.

Please return a confirmation fax to me so I will know that you have been receiving these reports.

Thank you so much.

Debbie
